News-item captioned, "Scientist sulks under Government's apathy"

3962. SHRI C.O. POULOSE:

SHRI P. PRABHAKAR REDDY:

Will the Minister of PERTOLEUM AND NATURAL GAS be pleased to state :

(a) whether Government's attention has been drawn to the news-item which appeared in the Hindu, dated the 30th May, 2001 with the caption, "Scientist sulks under Government's apathy";

(b) if so, what prevented Government to take up his case and issue patent for his invention since the Central Fuel Research Institute, Dhanbad has given the scientist's product the certificate of better fuel efficiency; and

(c) whether Government's apathy towards his invention discourage motivation for upcoming scientists and technicians ?

THE MINISTER OF STATE IN THE MINISTRY OF PETROLEUM AND NATURAL GAS (SHRI SANTOSH GANGWAR): (a) Yes. Sir.

(b) and (c) The test conducted by the Indian Institute of Petroleum indicated that there was no improvement in thermal efficiency with the use of the device and the device did not show any saving of LPG. The Expert Group comprising members from Deptt, of Scientific and Industrial Research under the Ministry of Science and Technology, Indian Institute of Petroleum. Dehradun. LPG Equipment Research Centre, Bangalore, National Research and Development

Centre, Delhi and Petroleum Conservation Research Association opined that the test procedure followed by Central Fuel Research Institute was not a standard one as specified for such devices. So there is no apathy on Government's part.
